

WELCOME ROGER LIDGREN!

Roger Lidgren joins in with us at Toleap Consulting AB!

Toleap Consulting AB was founded 2016 in Sweden by Per Tägtström, Jan Kuoppa and Andreas Kuoppa. In October 2016 we proudly welcome our new partner in Americas: Mr. Roger Lidgren.

Roger Lidgren

Roger has worked in the steel and engineering industries for over 40 years. He has had a large variety of assignments, from hands-on production, problem solving, marketing, market development and logistics. His specialty is market development and technically he is an expert in plastic forming in particular of high-strength steel.

Practical manufacturing knowledge, logistics, technical and commercial understanding of customer and end-user needs are Rogers main characteristics. He was a well-recognized professional already when he was living in Sweden, but now he has added many years' experience also in Americas. After 16 years in the USA, he is now-a-days a citizen of the United States of America. Rogers international network of people working with technology, market development and business management is a big asset when

Roger will now in collaboration with the dream team develop Toleap Consulting's unique concept for training and consulting services further. Read ore about the extended offer below.
